## Answer

Minister of State in the Ministry of CIVIL AVIATION (Shri Jayant Sinha)
(a) to (c) : Yes, Madam. As per the current policy of Airports Authority of India (AAI), the car parking charges at all AAI airports are charged on two hourly basis. This provision has been made applicable in respect of all fresh contracts only. At Ahmedabad Airport, car parking contract is operated as per the old policy of AAI wherein the car parking charges were levied on four hourly basis. The said rates were approved by the Commercial Advisory Board of AAI in the past as per policy in vogue at that time. However, the car parking charges @ Rs.85/- collected at Ahmedabad Airport on four hour slot is at par with the car parking charges applicable for other similar airports on two hours slots. The existing contract is scheduled for renewal with effect from 08.12.2016.

(d) & (e) : No specific complaint with regard to four hourly slots has been received. However, all complaints received from passengers are addressed through the grievance redressal mechanism of AAI.
